

A BIG WELCOME to the family friendly club for all leaf sprung Land Rovers that leak!!

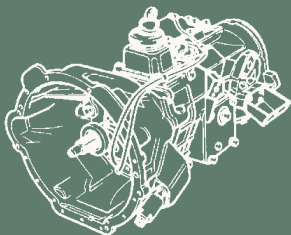

IT'S EARLY DAYS

We're engaging low box...

So far, membership is being offered free and stickers (yay!) distributed to new signees.

Ideas are coming together. Area Reps are stepping forward, successful events are taking and have taken place, banners and flags are hoisted, insurances are in place, Facebook pages are gaining traction, and a vibrant new website has been launched at www.series123club.co.uk. The website can also be accessed using the QR code above.

THE GEARBOX
Driving things your way...

Out of a meet in a wet field around a campfire over a few ciders came the concept of an informal club with a loose structure, focussing on fun guided by 'The Gearbox'.

The Gearbox team will look after the boring bits and drive things, with a light touch, your way, for the benefit and enjoyment of all members.

THE ROUTE MAP

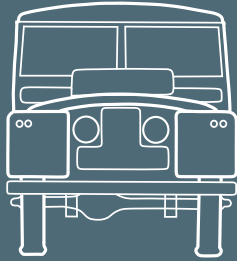

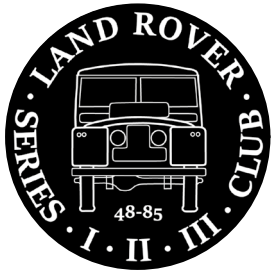

We're Going Places...

Plans for the future are being laid out on the bonnet, and members' inputs and ideas are seriously wanted and being implemented.

Lots of events, quarterly e-newsletters and a printed annual, calendar/wall-planner, shop selling merchandise, a forum; all are in discussion and development.

Tell us what you want!

Bring us ideas by simply emailing hello@series123club.co.uk and The Gearbox will release the clutch.

MEMBERSHIP

So come and join the fun by contacting membership@series123club.co.uk for more information and to join, especially while the membership is still FREE!

MORE COMING SOON

WELCOME to the family friendly club for all leaf sprung Land Rovers that leak

The Land Rover Series I, II, III Club is a new, family-friendly event-based club, bringing people together from around the world who enjoy leaf-sprung Land Rovers.

The Club is structured as a non-profit organisation, is free to join, with no obligation for members to participate in any event.

Events are organised at-cost, with all expenses and insurance covered by those participating.

MEMBERSHIP

If you'd like to join the Series I, II, III Club then please email your name and address to John Stokes our Membership Secretary, membership@series123club.co.uk

DONATION

The Series I, II, III Club is free to join. However, if you wish to help contribute to our basic running costs you can donate via the following link:

SUPPLYING THE FUEL

Sharing the Costs...

We haven't charged a joining fee yet, and don't intend to start until we have something more tangible to offer. Even then it would only be to cover costs such as insurance, promotional items, web-hosting fees, printing and mailings, etc. For now, we are asking for a small donation in lieu of a membership fee towards the new club's set up costs. Please use the QR code to go to our website and click **Donate**.

Please click **NOW** and give us what you can afford, every bit counts; and please accept our sincere thanks for your support and generosity.

We can't make it happen without YOU!
