

NEWSLETTER

Issue 02 | Winter 2023

A BIG WELCOME to the family friendly club for all leaf sprung Land Rovers that leak!!

Welcome to the second newsletter of the Series I, II, III Club. In this edition, we launch the Club's online shop, include a report of our display at the Amberley Land Rover Day, reveal details of next year's Club Rally and provide an update on the stunning growth in membership since the first newsletter.

CLUB SHOP NOW OPEN

Announcing Official Club Merchandise

After investigating several UK suppliers, the Club online shop is now up and running, just in time to get those Christmas stocking fillers. Check out the range of gentlemen, ladies and kids clothing, as well as area specific Series I, II, III Club mugs for that tea or coffee in-between Land Rover repairs.

Head on over NOW to the Club shop here:

www.series123club.co.uk/shop/shop.html

Additional designs involving leaf springs etc. are in development and will be announced in the next newsletter. And if you have ideas or suggestions for Club merchandise, have a word with your Area Rep, or send an email to hello@series123club.co.uk

AMBERLEY MUSEUM LAND ROVER DAY

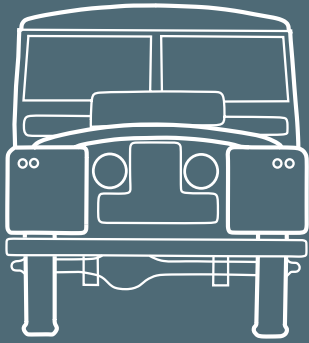

Report from Eddie Grinsead | Surry & Sussex AR

Back in September, the Surrey and Sussex area group 'did the Club proud' with a great display of Series I, II and III Land Rovers at what is traditionally a leaf sprung only event, that was extended to coilers, those with air suspension and even a few without hi and low range.

This was of course, to celebrate the 75th anniversary of Land Rover and included more of the Land Rover range of vehicles. A hearty breakfast in the museum café followed by a walk around and catchup with friends old and

new, including our Membership Secretary. John brought along some extra club banners and his excellent recruitment pitch, and it wasn't long until the new memberships were flooding in.

A big thank you to all for great support on the day, to Darren for organising parking and for the use of his surname for those who hadn't pre-booked. Stuart for the steady supply of tailgate burgers and thanks to whoever it was who arranged the excellent weather on the day.

MEMBERSHIP

So come and join the fun by contacting membership@series123club.co.uk for more information and to join, especially while the membership is still FREE!

SUPPLYING THE FUEL

Sharing the Costs...

A huge thank you to everyone who's already sent a donation. It's really appreciated and has helped us with some of the basic set up costs.

So far, we haven't charged a joining fee, and don't intend to start until we have something more tangible to offer, even then it would only be to cover costs such as insurance, promotional items, web-hosting fees, printing and mailings, etc. For now, we are asking for a small donation in lieu of a membership fee towards the new Club's set up costs, and you will find a 'Donate' button here;

www.series123club.co.uk

Please click NOW! and give us what you can afford, every bit counts; and please accept our sincere thanks for your support and generosity.

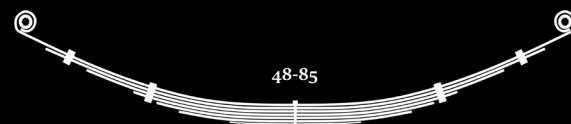

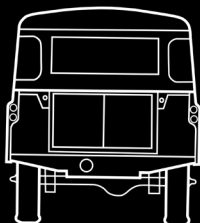

THE CLUB IS GROWING!

Since sending out the last Newsletter, membership has trebled, extending across the UK and around the world. Please continue to spread the word.

DONATION

The Series I, II, III Club is free to join. However, if you wish to help contribute to our basic running costs you can donate via the following link.
